Subject: Annual Report

. €.

Attached is a draft of a portion of the Annual Report for the year 1973. The report was sent to the printer for some revisions (of standing type) prior to the July meeting, and the portions that indicate the recommendations we will submit to the 1974 session are not accurate. We will revise those portions to reflect the output decisions made by the Commission when it considers Memorandum 73-60. We will also make a number of technical revisions in the standing type for the report. These technical revisions are indicated in Exhibit I attached.

The following are policy questions that should be considered by the Commission in connection with the Annual Report:

- (1) Recommendations to 1974 session (Memorandum 73-60).
- (2) Topics to be removed from agenda of topics. These are listed on page 1121: (1) Powers of appointment, (2) Counterclaims and cross-complaints, and (3) Joinder of causes of action. The recommendations on these subjects have been substantially enacted.
- (3) New topics. See pages 1121-1122. (Staff recommends no new topics be added to agenda at this time. See Memorandum 73-76 and First Supplement thereto.)
- (4) Legislative history. See page 1123 et seq. This is an accurate report if we assume that the Governor will sign Assembly Bill No. 103 (claim and delivery statute).
- (5) Report on Statutes Repealed by Implication or Held Unconstitutional. Page 1124 to be replaced. (See Memorandum 73-77.)
- (6) We have modified a portion of the Annual Report which formerly listed by session law chapter number the statutes enacted upon Commission recommendation. Our bound volumes contain a list by code of the sections enacted upon Commission recommendation. We have substituted in the Annual Report a cumulation of legislative action on Commission recommendations. See page 1126 et seq. We believe that this cumulation is informative and helpful to one who seeks to determine whether a particular recommendation resulted in the enactment of legislation. We noted a similar type of cumulation in reports of certain foreign law reform commissions and found it useful. We will make any revisions necessary to reflect actions on our recommended bills by the 1973 session.

Respectfully submitted,

#### EXHIBIT I

We will make the following technical adjustments in the draft of the Annual Report to reflect the facts as they are known early in November:

- (1) At the bottom of page 1108 and the top of page 1109, we will adjust the figures for sections affected by Commission recommended enactments to reflect action taken by the 1973 legislative session.
- (2) Page 1110 will be adjusted to reflect Commission membership and to reflect the election of Chairman and Vice Chairman (at the October meeting).
- (3) Page 1111 will be adjusted if the Commission determines to request authority to study any new topics and the last sentence will be adjusted to reflect actual meetings held during 1973.
- (4) Page 1112 and various other pages will be revised to reflect actual recommendations to be submitted to the 1974 session (see Memorandum 73-60) and Commission's decision whether to drop three topics as recommended by the staff.
- (5) Various references in the report to recommended bills submitted to the 1973 session will be revised to reflect whether the particular bill was enacted or was pending when the Legislature recessed in September 1973.

### REPORT OF THE CALIFORNIA LAW REVISION COMMISSION FOR **THE YEAR 1973**

### FUNCTION AND PROCEDURE OF COMMISSION

The California Law Revision Commission consists of one. Member of the Senate, one Member of the Assembly, seven members appointed by the Governor with the advice and consent of the Senate, and the Legislative Counsel who is ex officio a nonvoting member.1

The principal duties of the Law Revision Commission are to:

(1) Examine the common law and statutes for the purpose of discovering defects and anachronisms.

(2) Receive and consider suggestions and proposed changes in the law from the American Law Institute, the National Conference of Commissioners on Uniform State Laws, bar associations, and other learned bodies, judges, public officials, lawyers, and the public generally.

(3) Recommend such changes in the law as it deems necessary to bring the law of this state into harmony with modern conditions.2

The Commission is required to file a report at each regular session of the Legislature containing a calendar of topics selected by it for study, listing both studies in progress and topics intended for future consideration. The Commission may study only topics which the Legislature, by concurrent resolution, authorizes it to study.3

Each of the Commission's recommendations is based on a research study of the subject matter concerned. Many of these studies are undertaken by specialists in the fields of law involved who are retained as research consultants to the Commission. This procedure not only provides the Commission with invaluable expert assistance but is economical as well because the attorneys and law professors who serve as research consult-

ants have already acquired the considerable background necessary to understand the specific problems under consideration. In some cases, the research study is prepared by a member of the Commission's staff.

The research study includes a discussion of the existing law and the defects therein and suggests possible methods of eliminating those defects. The detailed research study is given careful consideration by the Commission. After making its preliminary decisions on the subject, the Commission distributes a tentative recommendation to the State Bar and to numerous other interested persons. Comments on the tentative recommendation are considered by the Commission in determining what report and recommendation it will make to the Legislature. When the Commission has reached a conclusion on the matter, its recommendation to the Legislature, including a draft of any legislation necessary to effectuate its recommendation, is published in a printed pamphlet.4 If the research study has not been previously published,5 it usually is published in the pamphlet containing the recommendation.

The pamphlets are distributed to the Governor, Members of the Legislature, heads of state departments, and a substantial number of judges, district attorneys, lawyers, law professors, and law libraries throughout the state. Thus, a large and representative number of interested persons are given an opportunity to study and comment upon the Commission's work before it is submitted to the Legislature.7 The annual reports and the recommendations and studies of the Commission are bound in a set of volumes that is both a permanent record of the Commission's work and, it is believed, a valuable contribution to the legal literature of the state.8

Commission recommendations have resulted in the enactment of legislation affecting 2,184 sections of the California statutes: 1,106 sections have been added, 542 sections amended, and

 Occasionally one or more members of the Commission may not join in all or part of a recommendation submitted to the Legislature by the Commission.

See Cal. GOVT. CODE § 10333.

### SUMMARY OF WORK OF COMMISSION

During the past year, the Law Revision Commission was engaged in three principal tasks:

(1) Presentation of its legislative program to the Legis-

lature.1

(2) Work on various assignments given to the Commission by

the Legislature.2

(3) A study, made pursuant to Section 10331 of the Government Code, to determine whether any statutes of the state have been held by the Supreme Court of the United States or by the Supreme Court of California to be unconstitutional or to have been impliedly repealed.3

During the past year, the Commission has received and considered a number of suggestions for topics that might be studied by the Commission. Some of these suggested topics appear to be in need of study. Nevertheless, because of the limited resources available to the Commission and the substantial topics already on its agenda, the Commission has determined not to request authority to study any new topics.

The Commission held one one-day meeting, four two-day

meetings, and six three-day meetings in 1972.

### MAJOR STUDIES IN PROGRESS

### Creditors' Remedies

Resolution Chapter 202 of the Statutes of 1957 authorized the Commission to make a study to determine whether the law relating to attachment, garnishment, and property exempt from execution should be revised. Beginning in 1969, decisions of the United States and California Supreme Courts held that significant portions of the existing statutory provisions relating to creditors' remedies constituted a taking of property in violation of constitutional due process requirements. Therefore, by Resolution Chapter 27 of the Statutes of 1972, the scope of the topic assigned to the Commission was expanded to cover whether the law relating to attachment, garnishment, execution, repossession of property (including the claim and delivery statute, Chapter 2 (commencing with Section 509) of Title 7 of Part 2 of the Code of Civil Procedure, self-help repossession of property, and the Commercial Code repossession of property provisions), civil arrest, confession of judgment procedures, default judgment procedures, and related matters should be revised. The Commission, working with a special committee of the State Bar,2 is now actively considering this topic. Professor William D. Warren, Stanford Law School, and Professor Stefan A. Riesenfeld, Boalt Hall Law School, University of California at Berkeley, are serving as consultants to the Commission.

As a result of its study of creditors' remedies, the Commission submitted recommendations to the 1971,3 1972,4 and 19735 legis-

### Condemnation Law and Procedure

The Commission is now engaged in the study of condemnation law and procedure and tentatively plans to submit a recommendation for a comprehensive statute on this subject to the 1975 Legislature.

The Commission plans to publish a tentative recommendation during 1974 which will include a draft of a comprehensive eminent domain statute. The comments and criticisms received from interested persons and organizations on the tentative statute will be considered before the statute to be recommended to the Legislature is drafted.

The Commission has retained three consultants to provide expert assistance in the condemnation study: Gideon Kanner, Los Angeles attorney, Thomas M. Dankert, Ventura attorney, and Norman E. Matteoni, Deputy County Counsel of Santa Clara County.

### Topics Continued on Calendar for Further Study

On the following topics, studies and recommendations relating to the topic, or one or more aspects of the topic, have been made. The topics are continued on the Commission's Calendar

<sup>&</sup>lt;sup>1</sup> Authorized by Cal. Stats. 1972, Res. Ch. 27. See 10 CAL. L. REVISION COMM'N REPORTS 1122 (1971). See also Cal. Stats. 1956, Res. Ch. 42, at 263; 1 CAL. L. REVISION COMM'N REPORTS, 1956 Report at 29 (1957).

A background study on one aspect of the topic has been prepared by the Commission's consultant. See Bodenheimer, The Multiplicity of Child Custody Proceedings -Problems of California Law, 23 STAN. L. REV. 703 (1971). This study does not necessarily represent the views of the Commission; the Commission's action will be reflected in its own recommendation. The Commission has retained the same consultant (Professor Brigitte M. Bodenheimer, Law School, University of California at Davis) to prepare a background study on another aspect of the topicadoption-and she is now working on this new study.

Authorized by Cal. Stats. 1970, Res. Ch. 54, at 3547; see also 9 CAL. L. REVISION COMM'N

REPORTS 107 (1969). Authorized by Cal. Stats. 1957, Res. Ch. 202, at 4589; see also 1 CAL. L. REVISION COMM'N REPORTS, 1957 Report at 21 (1957). For a background study prepared by a former part-time member of the Commission's staff, see Timbie, Modification of Written Contracts in California, 23 HASTINGS L.J. 1549 (1972). This study does not necessarily represent the views of the Commission; the Commission's action will be reflected in its own recommendation.

Authorized by Cal. Stats. 1968, Hes. Ch. 110, at 3103; see also 3 CAL. L. REVISION COMM'N REPORTS 1325 (1967).

This is a supplemental study; the present California arbitration law was enacted in 1961 upon Commission recommendation. See Recommendation and Study Relating to Arbitration, 3 CAL. L. REVISION COMM'N REPORTS at G-1 (1961). For a legislative history of this recommendation, see 4 CAL, L. REVISION COMM'N Re-PORTS 15 (1963). See also Cal. Stats. 1961, Ch. 461.

### LEGISLATIVE HISTORY OF RECOMMENDATIONS SUBMITTED TO 1973 LEGISLATIVE SESSION

Resolution Approving Topics for Study

Senate Concurrent Resolution No. 7, introduced by Senator Alfred H. Song and adopted as Resolution Chapter 39 of the Statutes of 1973, authorizes the Commission to continue its study of topics previously authorized for study.

(As introduced, the resolution also approved the removal of four topics from the Commission's agenda. However, the resolution was amended in the Senate and, as adopted, approved the removal of only two topics: (1) whether the law relating to the use of fictitious names should be revised and (2) whether the law relating to quasi-community property and property described in Section 201.5 of the Probate Code should be revised.

#### Civil Arrest

Senate Bill 81, which became Chapter 20 of the Statutes of 1973, was introduced by Senator Song to effectuate the recommendation of the Commission on this subject. See Recommendation and Study Relating to Civil Arrest (July 1972), to be reprinted in 11 Cal. L. Revision Comm'n Reports 1 (1973). The bill was enacted as introduced.

### Wage Garnishment and Related Matters

Assembly Bill No. 101 and Assembly Bill No. 102 were introduced by Assemblyman Warren and Senator Song to effectuate the recommendation of the Commission on this subject. See Recommendation Relating to Wage Garnishment and Related Matters (October 1972), to be reprinted in 11 Cal. L. Revision Comm'n Reports 101 (1973). Both bills were passed in amended form by the Assembly and were pending in the Senate when the Legislature recessed in September 1973. The bills will be given further consideration by the Legislature in 1974.

0.0

#### Claim and Delivery Statute

Assembly Bill No. 103, which in amended form became Chapter 0000 of the Statutes of 1973, was introduced by Assemblyman Warren and Senator Song to effectuate the recommendation of the Commission on this subject. See Recommendation Relating to the Claim and Delivery Statute (December 1972), to be reprinted in 11 Cal. L. Revision Comm'n Reports 301 (1973). The bill was substantially amended in the Assembly and in the Senate. The Senate Judiciary Committee adopted a special report with reference to the bill. This report contained revised Comments to various sections which reflected the amendments to the bill after its introduction. See Report of Senate Committee on Judiciary on Assembly Bill 103, Senate J. [date] at [page]. The text of the bill as enacted, together with the official Comments, is set out as Appendix \_\_\_\_ to this Report. Most of the amendments to Assembly Bill No. 103 were technical or clarifying. One significant amendment was made: Subdivision (b) of Section 512.020 was amended to add paragraph (3) which authorizes the court to issue a writ ex parte where the property claimed is commercial property which is not necessary for the support of the defendant or his family and which is likely to be unavailable for levy if the matter is heard upon noticed motion.

#### Unclaimed Property

Assembly Bill No. 727 and Assembly Joint Resolution 27 were introduced by Assemblyman McAlister to effectuate the Commission's recommendation concerning the Unclaimed Property Law (Code of Civil Procedure Section 1500 et seq.). See Recommendation Relating to Unclaimed Property (March 1973), to be reprinted in 11 Cal. L. Revision Comm'n Reports 401 (1973). Assembly Bill No. 727 was pending in the Assembly Judiciary Committee when the Legislature recessed in September 1973. The bill will be given further consideration by the Legislature in 1974. Assembly Joint Resolution No. 27 was adopted as Resolution Chapter 76 of the Statutes of 1973. The resolution was adopted as introduced.

CALIFORNIA LAW REVISION COMMISSION

TO BE REVISED

### REPORT ON STATUTES REPEALED BY IMPLICATION OR HELD UNCONSTITUTIONAL

Section 10331 of the Government Code provides:

The Commission shall recommend the express repeal of all statutes repealed by implication, or held unconstitutional by the Supreme Court of the State or the Supreme Court of the United States.

Pursuant to this directive the Commission has made a study of the decisions of the Supreme Court of the United States and of the Supreme Court of California handed down since the Commission's last Annual Report was prepared. It has the following to report:

(1) No decision of the Supreme Court of the United States or of the Supreme Court of California holding a statute of this state repealed by implication has been found.

(2) No decision of the Supreme Court of the United States holding a statute of this state unconstitutional has been found.

(3) Eight decisions of the Supreme Court of California holding statutes of this state unconstitutional have been found.

<sup>&</sup>lt;sup>1</sup> This study has been carried through 93 S. Ct. 28 (Oct. 6, 1972) and 8 Cal.3d 120 (Oct. 4, 1972).

### RECOMMENDATIONS

The Law Revision Commission respectfully recommends that the Legislature authorize the Commission to complete its study of the topics previously authorized for study (see pages 1016–1021 of this Report) and to remove from its calendar of topics the topics listed on page 1022 of this Report.

Pursuant to the mandate imposed by Section 10331 of the Government Code, the Commission recommends the repeal of the provisions referred to on pages 1026-1028 to the extent that those provisions have been held to be unconstitutional.
